FOR ADULTS ONLY

Correspondence Club

ROSSLYN NEWS CO. presents a brand new service solely for the benefit and exclusive use of our mail order customers. Each and every month, a letter from one of you will be printed on the inside cover of our corresponding book series. The writer of this letter would like to receive your comments and letters in return. Should you wish to correspond with him (or her), merely forward your return letter plus the nominal service and handling fee of $1.00 to:

Rosslyn News Co.
P. O. Box 1001/Dept. CC
Studio City, California 91604

Upon receipt of your letter, we will immediately forward it to the original author of the published letter. At that point, as adult correspondents, it's strictly up to you if you wish to continue the relationship on your own. There will be three to four letters published monthly, each one dealing with one of our four book subjects: Bondage, Wrestling, Female Domination and Spanking. Should you wish YOUR letter published in our books; it will be necessary for you to state this in your letter along with a signature so that we have a legal record of your consent. If this new concept in clubs prove to be successful, we may expand by utilizing both inside covers. Let's hope so. We will if you keep those cards and letters coming in.

Note: According to postal regulations, no lewd or obscene letters may be sent through the mail. Also, we cannot be responsible for members who do not respond.
